

Endeavour (UK) Limited uses a number of different training rooms around the country. All training rooms that we use have to meet the EndeavourUK high quality standards.

When choosing a training room, we check that the room is suitable, convertible and safe for the learners that we are delivering to and our staff.

At the start of each course the tutors will also do a Health and Safety Check and log this on the 'EndeavourUK Training Room Safety Check List Form'.

We welcome visits from our awarding bodies to any of the courses and training rooms.

Mr Christopher Lucas-Jones  
Managing Director
